

DLT ALERT™
FAST COVERAGE, FASTER PAYOUTS

Been rejected by cyber insurance?

The average cost for a startup to recover from a ransomware attack is \$18k. Does your business have cash-in-hand to cover this loss if chaos strikes?

The #1 factor for startups surviving a ransomware attack is the ability to recover quickly. With real-time claim validations and immediate payouts DLT Alert warranty coverage enables startups to recover faster and stay in business.

- ✓ IMMEDIATE COVERAGE APPROVAL
- ✓ 24 HOUR PAYOUTS
- ✓ PERSISTENT CLAIM MONITORING
- ✓ INCIDENT REPORT
- ✓ BACKED BY GLOBAL REINSURER
- ✓ INCIDENT RESPONSE TEAM

*Warranty is offered only in conjunction with embedded IT services. See site for active list.
